

TURTLE MOUNTAIN INTRODUCES PLANNED PURCHASE PROGRAM

August 1, 2008

Turtle Mountain is proud to introduce the Planned Purchase Program for the month of August. Personalized Planned Purchase Programs will be created to meet each customer's individual needs. Turtle Mountain understands how important it is to address each client on an individual basis and create a purchase plan that allows flexibility and security. This is a unique opportunity, and it is for a limited time only.

About Turtle Mountain

Located in Vernon, BC, the emerging jewel of the Okanagan Valley, Turtle Mountain is a unique master planned residential community that offers beautiful views of lake, city, and a relaxed way of being in the world. Unique architectural styles and scenic landscaping define the community's aesthetic vision, focusing on the charming Craftsman-style and the modern Prairies-style. Turtle Mountain currently has four distinct home builders; Inspiration Homes, DyCor Homes, Okanagan Trend West, and Trico Homes, each with a unique show home that is currently open for viewing.

Boasting trails, wildlife corridors and a low-impact development philosophy, this community features 315 desirable single family homes sites and 225 multi-family residences.
