Phase III of Construction Begins on Turtle Mountain

Vernon, British Columbia - Phase III of construction for Wesbild's Turtle Mountain, Vernon's newest residential community, is ready to begin. After working with the City of Vernon over the last few months, approvals are now in place to allow the next phase of construction to begin. This will include the following;

- Reconstruction of Alexis Park Drive & 39th Avenue
- Construction of a water pump station & reservoir on our Turtle Mountain site
- Site servicing work for Phase I & Phase II of our development

"We are working closely with our contractors to minimize the impact this construction may have on our neighbours' day-to-day life." said Tony Zappone, Development Manager for Wesbild. "This will include proactive strategies by our contractors in regards to traffic management and effective noise & dust control."

Construction is scheduled to begin immediately and continue throughout the summer.

About WESBILD

Wesbild Holdings Ltd. is a company that understands the importance of neighbourhoods and livable communities. Wesbild is a real estate development company that has been working in British Columbia for over 25 years. Wesbild's focus is on building communities through land development, shopping centers, golf courses and rental housing. Best known for developing the master planned community of Westwood Plateau in the City of Coquitlam, home to some 15,000 residents, the development is one of the most desirable suburban locations in Greater Vancouver. Westwood Plateau is internationally renowned for the forward thinking nature of the master plan and the innovative techniques that were used to minimize environmental impacts both during and after construction. Most recently, Wesbild is planning for another Coquitlam community - Burke Mountain - a sustainable, complete, hill-side community for 25,000 people.
